- Students should bring money for lunch. There are several different food options at Firewheel Market, and food prices vary. \$10-\$20 should be enough money, depending on where your student would like to eat.

- Students will miss 5th, 6th, 7th, and 8th Periods. They are responsible for making up any missed work.

- Students may need to communicate with any coaches/teachers about any possible impacts this schedule could have on after school practices/sessions.

- The concert performances are open to the public. Any parents, family members, or friends who would like to attend should report to the Garland High School Fine Arts entrance. Please note that GISD has a clear bag policy and that no food/drink is allowed in the auditorium.
